SAUGERTIES ANIMAL SHELTER... Do you feel the chill in the air? Yes, a fireplace and wood burning stove are cozy; but **do you know the coziest feeling of all? A LOVING CAT ON YOUR LAP.** Our shelter's cat condos are full. If you're thinking about getting a cat, this is a wonderful time to do that. If you'd like to spread warmth & joy, consider adopting an angel (or 2)! If you adopt an

adult/senior cat, you know you've given them a second (or maybe third) chance at love and kindness. **NEW THIS WEEK! MOROCCO;** 6-month old all black and **LOVES EVERYONE!!** super sweet kitten boy. **LET'S TAKE ANOTHER LOOK AT THESE ANGELS: SAWYER;** 3-year old very sweet, and oh, so handsome! black & white long-hair cat boy. **RAGS and PEANUT** are very sweet 2-year old cat brothers, whose person passed away. They need to be adopted together, in order to comfort and support one another. **Rags;** black & white long-hair cat boy. **Peanut;** all black, short-hair cat boy. **SWEET GINGER;** also orange & white, 2-year old, shy, sweet, and engaging. **NEBULA;** very smart 2-year old black cat girl. If you're looking for a mouser, Nebula is your gal! **MYSTIC;** super sweet black, w/a little white, medium hair, 2-year old cat boy. Mystic is a velcro cat: He wants to be with you all the time! If you're looking to adopt 2 kitten/cat angels, please let the shelter know. They know the animals very well and can make recommendations. Some kittens are already bonded to one another. We **STILL** have lots of kittens, and more coming in weekly. In case you were wondering: Black kittens grow up to be elegant, beautiful, intelligent, loving adult cats. Living with them (and all cats!) is a joy! A pair of black kitten brothers was recently adopted. Stay tuned! More may be on their way! **SARITA;** very sweet brown short hair tiger striped 2-year old cat girl. Her son, **Satellite**, was just adopted. **Time for his mama to get adopted, too! VANNA;** 2-year old black & white cat girl. **Vanna** wants to be your only pet. We have **BARN CATS**, too. If you'd like to give a cat(s) food and shelter and in return, they'll help to keep your rodent population under control, consider adopting a barn cat. Get your applications in and approved, so when we welcome more kittens & puppies, which we often do, we'll call you! We welcome a new group of puppies every month! In order to meet them, you'll need an approved application and appointment. (We very rarely get small dogs.) Most are in the 40-50lb. range; short-hair southern mixes. **LET'S REVISIT THESE ANGELS: SADIE;** almost 2-years old, very sweet tri-color short hair dog girl, and is good w/dogs. No small children, please. **JET;** 2-year old black shepherd mix dog boy. Jet is shy, at first, especially around men. But very quickly, will become your best friend! **JESTER;** (Jet's brother); big 2-year old "lab-bish" looking dog boy. Jester, too, can be shy around men. **Let's not forget about Clove!** energetic, 3-year old pitty mix dog girl, super sweet and good with **EVERYONE!!** **If you missed your chance to adopt Roscoe or Mya, you will have that chance again.** Through no fault of their own, they were returned to the shelter. **ROSCOE;** 2-year old 55 pound tri-color love bug dog boy who loves **EVERYONE!** At first, Roscoe may be shy around men. **MYA;** 3-year old tan pitty mix dog girl. Mya is a doll! **Healthy, young dogs just arrived from Louisiana!** Look at our Facebook page to see some of the wonderful new dogs. The shelter is open by appointment on Tuesdays, Thursdays & Saturdays. **Please call 845-679-0339 to make an appointment** to meet your new love! Saugerties Animal Shelter- (located behind the transfer station); 1765 NY-212, Saugerties, NY 12477. Here in this house... I will never be a substitute for anything I am not. I will never be used to improve peoples' images of themselves. I will be loved because I am who I am, not someone's idea of who I should be. I will never suffer for someone's anger, impatience, or stupidity. I will be taught all the things I need to know to be loved by all. If I do not learn my lessons well, they will look to my teacher for blame. ~Author Unknown~ ... If you'd like your home to be like the home described, please see the wonderful animals we have at SAS.
